

Meeting Venue

IPMS NSW meets on the 4th Saturday each month. For exact dates, please refer to the [Meeting Calendar](#).

We meet in the auditorium at:

Ryde Ex-Services Club, 724 Victoria Rd Ryde NSW 2112 Ph: 02-9807-3344

Meetings commence at 1.00 pm. The club is a licensed premises, however the function area used by IPMS has no age restrictions. The bar area of the club is however, limited to 18 years or over.

Google Map of our Current Venue

Below is the map for IPMS NSW's current venue. Access to the club can be made from Victoria Rd, however there is also undercover parking available via Eagle St.

All meetings are also display days, so bring your models along.
 Guests are very welcome.

Notes:

(1) Model Assessments give all members the opportunity to have their models reviewed by a senior modeler. Emphasis is placed on providing constructive feedback to the modeller to help them improve. General categories for assessments are:

- Aircraft Large Scale
- Aircraft Small Scale
- Motor Vehicles, Ships
- AFV Large Scale
- AFV Small Scale
- Out of the Box
- Dioramas
- Science Fiction

(2) Modelling Workshops - are run by experienced modellers and focus on practical demonstrations modeling skills.

Workshops cater for modellers of all skills from novice to advanced.

Some examples of workshop topics include:

- Airbrushing - Masking, Painting and Finishing
- Construction Techniques
- Working with Photo-Etch and Resin
- The Internet - A Modellers Resource
- Panel Lines - Scribing and Washing
- Weathering Techniques
- Decaling Techniques

(3) Display Day - each and every meeting is a display day.

Members and guests are encouraged to bring along their finished (and un-finished) models for display.

A Peoples Choice prize is awarded each display day to the model which receives the most votes by meeting attendees.

(4) Annual Competition - the following judging categories are used for classification of models entered into competition

- Aircraft Large Scale
- Aircraft Small Scale
- Motor Vehicles, Ships
- AFV Large Scale
- AFV Small Scale
- Out of the Box
- Dioramas
- Science Fiction
